

Kirk Morris, CGR, CAPS of Morris Builders, Inc. Wins Unprecedented Fifth “Remodeler Of The Year” Award From The Home And Building Association of Greater Grand Rapids.

On Thursday, January 31st the Home and Building Association of Greater Grand Rapids awarded Kirk Morris, CGR, CAPS an extraordinary fifth “Remodeler of the Year” award for 2007 at the Awards of Excellence Banquet held at the DeltaPlex in downtown Grand Rapids. No other remodeler in the Grand Rapids area has ever won this prestigious award five times.

In order to be eligible to win this award, a business must be a member of the Remodelers Council at the Home and Building Association of Greater Grand Rapids. The business must submit a list of past and present clients in addition to a list of sub-contractors. These individuals are contacted by the HBAGGR with a questionnaire to complete regarding the entrant. Then the judging takes place. Companies are only eligible to compete every other year. This means that Morris Builders, Inc. has won the award almost every time they’ve been eligible in the past ten years. Other wins came in the years 1998, 2000, 2002 and 2004.

Founded in 1985, Morris Builders, Inc. is owned by Kirk Morris and his wife Joy. Upon receiving the award, Kirk said, “This award, ‘2007 Remodeler of the Year’, emphasizes Morris Builders, Inc.’s commitment to our industry, clients, and our team of professionals and our passion and vision for the future. We are ecstatic to have been awarded this prestigious award of distinction.”

Joy added that such a notable fifth win is an awesome and exciting experience.

Morris Builders, Inc. currently employs a staff of three that includes Heidi De Young, a Certified Kitchen Designer (CKD), Darci Mierendorf, Office Manager, and Seth Walter, Lead Carpenter.

Kirk has earned his Certified Graduate Remodeler (CGR) designation, his Certified Aging-in-Place Specialist (CAP) designation and he is also Green Certified.

About his staff, Kirk had this to say, “We have an amazing team of individuals at Morris Builders, Inc. which daily dedicate themselves and their talents to our clients. We also have a network of professional trades to offer a total organized project of any size. Our main goal is to create a smooth flowing project, which at completion is a true reflection of not only our client but the relationship we’ve created with them!”

Personal attention to detail, experience, and dependability are all reasons that clients trust their remodeling projects to Morris Builders and why in addition to its fifth “Remodeler

of the Year” award, this company has won a number of other awards including the “Better Business Bureau’s Business of Integrity” 2006 award.

In addition to their unwavering commitment to their customers, Morris Builders, Inc. is equally committed to the local community. Most recently, Kirk spearheaded the Chris Klco project. Chris is in a wheelchair and in November and December of 2007, Morris Builders, Inc. helped build him a handicap accessible bathroom.

Morris Builders, Inc. will be at the Rockford Expo on March 15, 2008, the Cottage and Lakefront Living Show March 28-30, the Showcase of Remodeled Homes April 25-26, and the Dental Association Annual Meeting April 17-19.
